Prophetic Vision Excerpt:

“Congregations will have to be instructed in praise and worship and will not be satisfied by hearing an occasional sermon on worship or by reading books on the subject, but will have to be shown how to live the Word of praise and worship. Congregations will place demands on leadership to teach them how to praise and worship, and churches that refuse to praise in spirit and in truth will empty overnight, and those who do worship will be filled to overflowing. Congregations will stand outside the churches on the church grounds and parking lots and praise the Lord” (Read Chapters 8 of ‘The Worshiping You’)

Use the following excerpts as prayer points & guidelines for meeting as needed:

God is Spirit, and those who worship Him must worship in spirit and truth (John 4:24)

The Holy Spirit will cause a hunger to worship like we have never seen before as the Church lines herself up with the command of Jesus. It will truly be a revival of worship flamed and fired up by the Spirit of God Himself. (TWY pg.53)

Humility will flood the Church...pride, which has masked itself through good works and religious practice, will be exposed by worship. (TWY p.54)

God resists the proud, but gives grace to the humble (1 Peter 5:5)

It is time to individually prioritize worship in our lives, to worship Him like never before. As we do we will release a river of His presence, flowing out of us, through the Church and beyond (TWY pg.55)

And you shall know the truth, and the truth shall make you free (John 8:32)

Massive deliverance will take place in the church in times of revival, accompanied by a new song. Every new move of God releases a new song. (SOW Level 1 pg.49)

Will You not revive us again, that Your people may rejoice in You? (Psalm 85:6)

...be filled with the Holy Spirit, singing psalms and hymns and spiritual songs among yourselves, and making music to the Lord in your hearts. And give thanks for everything to God the Father in the name of our Lord Jesus Christ. (Ephesians 5:18-20)
